

LUCAS - Dreams

Written by Thomas J. Gyger, Fredrik Strömberg, Marco Pfeuti, Michael & Christian Lucas

1. Strophe

For all these years I was blind to see
That I've gradually morphed into a different me

Bridge

I was confused and nearly changed my mind
But today I woke up and wondered why
I've locked away my hopes
And I don't clearly see what I really want

Refrain

Do I have to die alone to live my dreams
Don't wanna ever doubt that I could win
I will break these chains that bind me
But I'm so conflicted

I've realized, I want no compromise
But is it worth it to give up everything
There's nothing left to hide, the time seems right
Will you be by my side or do I leave it all behind

2. Strophe

It's so hard to face, many tears will flow
But I'm honest enough, I have my way to go
