

LUCAS - Falling For You

Written by Thomas J. Gyger, Fredrik Strömberg, Marco Pfeuti, Michael & Christian Lucas

1. Strophe

Where you been
I haven't seen you for so long
So clue me in
Cause I don't know what's been going on

Bridge

I call you
I'm all that you'd need
Beside you
I'd heal you
I feel we belong
For real

Refrain

I wanna take you home tonight
I wanna see the fire in your eyes
I'm gonna show my love is true so I
Keep on calling I
Keep on falling for you

2. Strophe

When you went
Away you took the better part of me
But in the end
I hope you'll see what we could be

C-Part

I keep on falling for you – I keep on calling for you
I keep on falling for you – I keep on calling for you

I wanna take you home tonight
I wanna see the fire in your eyes
I'm gonna show my love is true
Cause I keep on falling for you
