Written by Thomas J. Gyger, Fredrik Strömberg, Marco Pfeuti, Michael & Christian Lucas

Intro

I can feel - my blood pumpin
Cuz you get - my heart thumpin
Dance this place - down to the ground - yeah

1. Strophe

When I saw u cross the club floor
Lookin at me, lookin out for more
I didn't even know your name
But I don't care, it's all in a game - and

Tonight I'll be your slave
Touch too much and misbehave
Come in closer and I'll give you more
Like you never saw before - and

Refrain

I, I don't care about tomorrow
Now's no time for sorrow
Because tonight you are my hot temptation girl

And I, I don't care who you really are
Fast to love like a shooting star
Because tonight you are my hot temptation girl - and

Interlude

I put my - hands on
You turn me - yeah

2. Strophe

My eyes glued to you
Thinking bout all what we could do
Like firework on New Year's Eve
You light me up, let's go, let's leave, cause...

All your life you've been dreaming
He won't know you're deceiving
You got a halo that I've never seen
Shining like I've never been - and

Bridge

Hot temptation girl - Hot, hot, hot
Hot temptation girl - Hot, hot, hot
Blood pumpin, heart thumpin
Dance this place down to the ground
