

LUCAS - I Feel

Music by TJ Gyger/Marco Pfeuti/Michael & Christian Lucas/Zlatko Percia

Lyrics by TJ Gyger/Marco Pfeuti/Michael & Christian Lucas/Pirmin Marti

1. Strophe

I usually rise with the sun
I am grinding away
Nearly everyday
I'm stuck in a rut
I'm gonna break down,
Got to stop it now

Bridge

Increasing pressures make me lose control
Found the medicine for my soul

Refrain

It's the touch of the sun
Like it just all begun
And I feel – I can leave it all behind
I'm diving into the sea
It's the simple wonders for me
Now I leave it all behind
And I feel
I can find my peace of mind oh yeah

2. Strophe

Everyone is rushing all day long
Got to get things done
In everyday life we are just numbers
Treat yourself as number one

C-Part

I almost forgot the beauty in life
It can be wonderful
From time to time I've got to ease my mind
And leave it all behind
