

LUCAS - Let Me Know

Music by TJ Gyger/Marco Pfeuti/Michael & Christian Lucas/Zlatko Percia

Lyrics by TJ Gyger/Marco Pfeuti/Michael & Christian Lucas/Pirmin Marti

1. Strophe

I'll never forget, it was late one night
I went out to leave my day behind
Then I saw you standing there, like an angel
Never felt like this before

Refrain

Should you ever feel the need to hold me
Hey baby just let me know
It's so hard to find someone, that cares for you
So baby just let me know

2. Strophe

Knowing your near, I feel so strong
A minute without you seems so long
I'm always thinking of you, I can't fight it
So you feel like I do?

C-Part

If you want me just let me know
I'm afraid to show what I feel
Could you fall in love,
Or would it be just another fling
I'd give you everything... baby let me know!
