

LUCAS - On And On

Written by Thomas J. Gyger, Fredrik Strömberg, Marco Pfeuti, Michael & Christian Lucas

1. Strophe

Remember the good old days
We never thought about tomorrow
Together we felt so real
Wasn't any cause for sorrow

We knew it wouldn't last for long
And the time just flew by
Life simply called us back and
It was time to say goodbye

Bridge

But sometimes I missed
your sweet little kiss
and still in my mind
we're one of a kind
and we go

Refrain

On and on – we go
On and on – we go
On and on – we go
Nothing can stop us now

On and on – we go
On and on – we go
On and on – we go
Nothing can stop us now

I break the law
I do it all
I take the fall
Nothing can stop us now

You come around
You won't back down
We leave the ground
Nothing can stop us now

2. Strophe

Remember the nights out there
Fooling round like little kids
It felt like endless love we
Ate it up bit by bit
