

# LUCAS - Take It To The Top

---

Written by Thomas J. Gyger, Fredrik Strömberg, Marco Pfeuti, Michael & Christian Lucas

## **1. Strophe**

Crusin' down a strip in the city of gold  
I'm the king of aces and I won't fold  
I'll play the game and I'll throw the dice  
And stay away from devils in disguise

## **Bridge**

I'll take this town, I'll take control  
I won't go down, I'm on a roll

## **Refrain**

You're gonna see my name in neon lights  
Up on the billboard in the Vegas night  
I wanna give it everything I've got  
And I won't stop now - I'm gonna take it to the top

## **2. Strophe**

Heartbreak hotel's got a room for me  
But I - I won't be lonely tonight you see  
Lady luck is sitting by my side  
And she'll take me along for a ride

## **C-Part (Bright-D)**

Like a spaceship where you never been  
Like a magic rug call me Aladdin  
Hustle 247 trying to chase a dream  
No sleep, my booth light always green  
Shout out to my ex girls hope you hear this sound  
Still spreadin' rumors sayin' I was never around  
I was broke y'all know was out lookin' for dime  
All I needed was time...  
And you never gave a chance "None"  
I'm about to blow up, better look at me now  
Tomorrow will be late may be hard to find  
I'm on my way up GOD gave me a sign  
I'll take this town, I'll take control  
I won't go down, I'm on a roll  
And I know y'all see me, see the elevation  
Dreams gotta come true: lights camera action!
